1. To elect the ten directors named in the enclosed proxy statement to serve until the next annual meeting of stockholders in 2017.
2. To ratify the appointment of Grant Thornton LLP as the independent registered public accounting firm for Resource Capital Corp. for the fiscal year ending December 31, 2016.
3. To transact such other business as may properly be brought before the Meeting and any adjournment, postponement or continuation thereof.

Only stockholders of record on our books at the close of business on April 15, 2016, which we refer to as the record date, will be entitled to notice of and to vote at the Meeting or any adjournment thereof. A list of stockholders entitled to vote at the Meeting will be available for inspection at the Meeting and for 10 days before the Meeting at our offices at 1845 Walnut Street, 18th Floor, Philadelphia, Pennsylvania. The stock transfer books will not be closed.

By order of the Board of Directors,
Michael S. Yecies, Secretary
April 22, 2016

YOUR VOTE IS IMPORTANT

Instead of mailing a printed copy of our proxy materials to all of our stockholders, we provide access to these materials via the Internet. This reduces the amount of paper necessary to produce these materials as well as the costs associated with mailing these materials to all stockholders. Accordingly, on or about April 22, 2016, we will begin mailing a Notice of Internet Availability of Proxy Materials, or Notice, to all stockholders of record on our books at the close of business on April 15, 2016, the record date for the Meeting, and will post our proxy materials on the website referenced in the Notice. As more fully described in the Notice, stockholders may choose to access our proxy materials on the website referred to in the Notice or may request to receive a printed set of our proxy materials. In addition, the Notice and website provide information regarding how you may request to receive proxy materials in printed form by mail, or electronically by email, on an ongoing basis.

If you are a stockholder of record, you may vote in one of the following ways:

- **Vote over the Internet**, by going to www.voteproxy.com (have your Notice or proxy card in hand when you access the website);
- **Vote by Telephone**, by calling the toll-free number 1-800-PROXIES (1-800-776-9437) in the United States or 1-718-921-8500 from foreign countries (have your Notice or proxy card in hand when you call);
- **Vote by Mail**, if you received (or requested and received) a printed copy of the proxy materials, by returning the enclosed proxy card (signed and dated) in the envelope provided; or
- **Vote in person at the Meeting.**

If your shares are held in “street name,” meaning that they are held for your account by a broker or other nominee, you will receive instructions from the holder of record that you must follow for your shares to be voted.

Whether or not you plan to attend the Annual Meeting in person, we urge you to take the time to vote your shares.

IMPORTANT NOTICE REGARDING INTERNET AVAILABILITY OF PROXY MATERIALS FOR ANNUAL MEETING OF STOCKHOLDERS TO BE HELD ON JUNE 2, 2016: The proxy statement and our 2015 annual report are available at <http://phx.corporate-ir.net/phoenix.zhtml?c=192004&p=proxy>.

PROXY STATEMENT
ANNUAL MEETING OF STOCKHOLDERS
TO BE HELD ON THURSDAY, JUNE 2, 2016

ABOUT THE MEETING

Solicitation of Proxies. This proxy statement and the accompanying proxy are furnished to stockholders of Resource Capital Corp. in connection with the solicitation by our Board of Directors, which we refer to as the Board, of proxies for use at the 2016 annual meeting of stockholders of Resource Capital Corp., which we refer to as the Meeting, to be held on June 2, 2016, at 1:00 p.m. at 1845 Walnut Street, Philadelphia, Pennsylvania, and at any and all adjournments thereof.

Mailing Date. In accordance with rules and regulations adopted by the Securities and Exchange Commission, or SEC, instead of mailing a printed copy of our proxy materials to each stockholder of record, we are now furnishing proxy materials to our stockholders on the Internet. If you received a Notice of Internet Availability of Proxy Materials by mail, you will not receive a printed copy of the proxy materials, unless specifically requested. Instead, the Notice of Internet Availability of Proxy Materials will instruct you as to how you may access and review all of the important information contained in the proxy materials. The Notice of Internet Availability of Proxy Materials also instructs you as to how you may submit your proxy via the internet, telephone or by mail. If you received a Notice of Internet Availability of Proxy Materials by mail and would like to receive a printed copy of our proxy materials, you should follow the instructions for requesting such materials included in the Notice of Internet Availability of Proxy Materials.

It is anticipated that the Notice of Internet Availability of Proxy Materials will be mailed to stockholders on or about April 22, 2016.

Who Can Vote. Only holders of record of our common stock at the close of business on April 15, 2016 will be entitled to notice of and to vote at the Meeting. Each of the approximately 31,195,402 shares of our common stock issued and outstanding on that date is entitled to one vote on each matter that comes before the Meeting.

How to Vote — Proxy Instructions. If you are a holder of record of Resource Capital Corp. common stock, you may vote your shares over the Internet, by telephone, by using a traditional proxy card or in person at the Meeting. Refer to the Notice of Internet Availability of Proxy Materials or your proxy or voting instruction card to see which options are available to you and how to use them. Stockholders who hold their shares in “street name” will receive a Notice of Internet Availability of Proxy Materials from the institution that holds their shares and should follow the voting instructions given by that institution.

You may specify whether your shares should be voted for all, some or none of the nominees for director (Proposal 1); and you may further specify whether your shares should be voted for, against or whether you abstain from ratifying the appointment of Grant Thornton LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2016 (Proposal 2).

If you do not specify how you want to vote your shares on your proxy card, or you indicate when voting on the Internet or by telephone that you wish to vote as recommended by the Board of Directors, and your shares are not designated as broker non-votes, we will vote them “For” the election of all nominees for director as set forth in Proposal 1 below and “For” ratification of approval of Grant Thornton LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2016 as set forth in Proposal 2 below.

Broker Non-Votes. A broker “non-vote” occurs when a nominee, such as a bank or broker, holding shares for a beneficial owner, does not vote on a particular proposal because the nominee does not have discretionary voting power for that particular item and has not received instructions from the beneficial owner.

Generally banks and brokers may vote their customers' shares on proposals considered "routine" and may not vote their customers' shares on proposals that are not considered "routine" if the customers have not furnished voting instructions within a specified period of time prior to the annual meeting. Proposal 1 described below is not considered a "routine" matter. Proposal 2 described below is considered a "routine" matter.

Revocation of Proxies. If you are a holder of record, you may revoke your proxy at any time before it is exercised in any of three ways:

- 1) by submitting written notice of revocation to our Secretary;
- 2) by submitting another proxy by mail that is later dated and properly signed; or
- 3) by voting in person at the Meeting.

If your shares are held in street name, you must contact your broker or nominee to revoke and vote your proxy.

Quorum. A quorum of stockholders is necessary to hold a valid meeting. A quorum will exist if the holders representing a majority of the votes entitled to be cast by the stockholders at the Meeting are present, in person or by proxy. Broker non-votes and abstentions are counted as present at the Meeting for purposes of determining the existence of a quorum, but since they are neither a vote cast in favor of, nor a vote cast opposing, a proposed action, abstentions and broker non-votes typically will not be counted as a vote cast on any matter, except with respect to matters subject to New York Stock Exchange approval standards where abstentions are deemed to be votes cast for New York Stock Exchange, or NYSE, compliance purposes.

Required Vote. *Proposal 1.* The number of votes required to be elected as a director is dependent on whether an election is contested or uncontested. Our bylaws define an election as contested if there are more candidates for election than the number of directors to be elected. The election described in Proposal 1 below is an uncontested election. In order to be elected as a director in an uncontested election as described in Proposal 1 below, each director is elected by a majority of votes cast with respect to such director nominee at a meeting of stockholders duly called and at which a quorum is present. A "majority of votes cast" means that the number of shares voted "for" a director's election exceeds 50% of the total number of votes cast with respect to that director's election. Votes "cast" includes votes "for" and votes "against", but excludes abstentions and broker non-votes with respect to a director's election. In the case of any contested election, our bylaws provide that directors shall be elected by a plurality of votes cast at a meeting of stockholders duly called and at which a quorum is present.

Proposal 2. To ratify the appointment of Grant Thornton as our independent registered public accounting firm for the fiscal year ending December 31, 2016 as described in Proposal 2 below, the affirmative vote of the holders of at least a majority of the shares present in person or by proxy at the Meeting is required. The number of shares not voted for approval and the number of abstention votes cast will be counted as votes against this proposal.

Other Business. We do not intend to bring any business before the meeting other than that set forth in the Notice of the Annual Meeting and described in this proxy statement. However, if any other business should properly come before the meeting, the persons named in the proxy card intend to vote in accordance with their best judgment on such business and on any matters dealing with the conduct of the meeting pursuant to the discretionary authority granted in the proxy.

Costs. We pay for the preparation and mailing of the Notice of the Annual Meeting and proxy statement. We have also made arrangements with brokerage firms and other custodians, nominees, and fiduciaries for forwarding proxy-soliciting materials to the beneficial owners of our common stock at our expense.

Householding of Proxy Materials. The SEC has adopted rules that permit companies and intermediaries such as brokers to satisfy delivery requirements for proxy statements with respect to two or more stockholders sharing the same address by delivering a single proxy statement addressed to those stockholders. This process, which is commonly referred to as "householding," potentially provides extra convenience for stockholders and cost savings for companies. If, at any time, you no longer wish to participate in householding and would prefer to receive a separate proxy statement, or if you are receiving multiple copies of the proxy

statement and wish to receive only one, please notify your broker if your shares are held in a brokerage account or us if you hold common stock directly. Requests should be addressed to American Stock Transfer & Trust Company, 6201 15th Avenue, Brooklyn, NY 11219, Attention: Shareholder Services Department, or by calling 1-800-937-5449 (718-921-8200 for foreign stockholders). We will promptly furnish a separate copy of the proxy statement upon a written or oral request by a stockholder currently subject to householding.

CORPORATE GOVERNANCE

Our Board of Directors and Its Committees

Our common stock is listed on the NYSE under the symbol “RSO” and we are subject to the NYSE’s listing standards. The Board has determined that each of Messrs. Beach, Fore, Hart, Ickowicz, Levin, Neff and Ms. Wiggins satisfy the requirement for independence set out in Section 303A.02 of the rules of the NYSE and that each of these directors has no material relationship with us (other than being a director and/or a stockholder). In making its independence determinations, the Board sought to identify and analyze all of the facts and circumstances relating to any relationship between a director, his or her immediate family or affiliates and our company and our affiliates and did not rely on categorical standards other than those contained in the NYSE rules.

The Board held a total of 13 meetings during fiscal 2015. Each of the directors attended at least 75% of the meetings of the Board and of the committees on which he or she served during fiscal 2015.

The Board has four standing committees: the Audit Committee, the Compensation Committee, the Nominating and Governance Committee and the Investment Committee. All of the members of each committee, other than the Investment Committee, are “independent” directors as that term is defined in the NYSE’s listing standards.

As set forth in our Corporate Governance Guidelines and in accordance with NYSE listing standards, the non-management directors have the opportunity to meet in executive sessions quarterly without management. The director who presides at these meetings is rotated. Interested parties wishing to communicate directly with the non-management directors may contact the chairman of the Audit Committee, P. Sherrill Neff, at Quaker BioVentures, Cira Centre, 2929 Arch Street, Philadelphia, Pennsylvania 19104.

Audit Committee. The Audit Committee reviews the scope and effectiveness of audits by the internal and independent accountants, is responsible for the engagement of independent accountants, and reviews the adequacy of our internal financial controls. Members of the committee are Messrs. Neff (Chairman), Beach, Hart and Ms. Wiggins. The Board has determined that each member of the Audit Committee meets the independence standards for Audit Committee members set forth in the NYSE listing standards and in the Securities Exchange Act of 1934, as amended, or the Exchange Act, and that Messrs. Beach and Neff each qualifies as an “audit committee financial expert” as that term is defined in the NYSE and Exchange Act rules and regulations. The committee held four meetings during fiscal 2015. The Audit Committee charter is available on our website at www.resourcecapitalcorp.com, and we will provide a printed copy to any stockholder who requests it.

Compensation Committee. The principal functions of the Compensation Committee are to:

- review the compensation payable to our directors;
- review the compensation and fees payable to the Manager under our management agreement; and
- administer the issuance of any stock or stock options issued to our employees and/or the employees of the Manager or Resource America who perform services for us.

Under our management agreement with the Manager and Resource America, the Manager assumes principal responsibility for managing our affairs and providing the personnel that we need to conduct our operations. The Manager and Resource America are responsible for paying the compensation of all such personnel and, consequently, such personnel do not receive separate compensation from us. However, we reimburse the Manager for all of the wages, salary and benefits established and paid by the Manager to our Chief Financial Officer, who is exclusively dedicated to our operations, 50% of the wages, salary and benefits established and paid by the Manager to our director of investor relations, who is 50% dedicated to our operations, and the proportionate share of the wages, salaries and benefits of other accounting professionals dedicated to our operations and approved by our Board. We also reimburse Resource America for all of the wages, salary and benefits established and paid by Resource America to our Chairman of the Board.

The members of the committee are Messrs. Beach (Chairman), Levin and Neff. The committee held four meetings during fiscal 2015. The Compensation Committee Charter is available on our website at www.resourcecapitalcorp.com, and we will provide a printed copy to any stockholder who requests it.

Nominating and Governance Committee. The Nominating and Governance Committee is appointed by the Board to:

- assist it and us maintain an effective and knowledgeable Board, including assisting the Board by identifying individuals qualified to become directors and recommending to the Board the director nominees for the next annual meeting of stockholders and the directors to be appointed to the Audit, Compensation and Nominating and Governance Committees; and
- develop and recommend for the Board's consideration governance guidelines for us.

The committee has not adopted specific, minimum qualifications or specific qualities or skills that must be met by a recommended nominee. The committee seeks to insure that the membership of the Board and each committee satisfies all relevant NYSE listing standard requirements, applicable laws and requirements of our governance documents. The committee seeks to achieve a mixture of skills which are all related to our business. The nature of the specific qualifications, qualities or skills that the committee may look for in any particular director nominee is dependent on the qualifications, qualities and skills of the rest of the directors at the time of any vacancy on the Board.

The Nominating and Governance Committee identifies director nominees by first evaluating the current members of the Board willing to continue in service. Current members with skills and experience that are relevant to our business and are willing to continue in service are considered for re-nomination, balancing the value of continuity of service by existing members of the Board with that of obtaining a new perspective. If any member of the Board does not wish to continue in service, if the Nominating and Governance Committee or Board decides not to re-nominate a member for re-election, or if we decide to expand the Board, the committee identifies the desired skills and experience of a new nominee consistent with the nominating and governance committee's criteria for Board service. Current members of the Board and management are polled for their recommendations. Research may also be performed or third parties retained to identify qualified individuals. To date, we have not engaged third parties to identify or evaluate potential nominees; however, we may in the future choose to do so.

The members of the Nominating and Governance Committee are Messrs. Levin (Chairman), Beach and Hart. The committee held one meeting during fiscal 2015. Our Corporate Governance Guidelines and Nominating and Governance Committee charter are both available on our website at www.resourcecapitalcorp.com, and we will provide a printed copy to any stockholder who so requests it.

Stockholder Recommendations for Director Nominees. The Nominating and Governance Committee will consider candidates for nomination as a director recommended by stockholders, directors, officers, third-party search firms and other sources. In evaluating candidates, the committee considers the attributes of the candidate (including skills, experience, international versus domestic background, diversity, age, and legal and regulatory requirements) and the mixture of skills and experience of the members of the Board, and will review all candidates in the same manner, regardless of the source of the recommendation. The Nominating and Governance Committee does not have a formal policy regarding the consideration of diversity in identifying candidates beyond being committed to ensuring that no person

would be excluded from consideration for service as a director of ours as a result of their gender, race, religion, creed, sexual orientation or disability. The committee will consider individuals recommended by stockholders for nomination as a director in accordance with the procedures described under “Stockholder Proposals for the 2017 Annual Meeting.” Recommendations should include the following:

- such information as may be reasonably necessary to determine whether the director candidate is independent from the stockholder that has recommended the candidate;
- such information as may be reasonably necessary to determine whether the director candidate is qualified to serve on the Board; and
- such information as may be reasonably necessary to determine whether the director candidate meets the independence standards of the NYSE.

The Board may also request such additional information concerning the proposed nominee as may be reasonably required to determine whether each person recommended by a stockholder meets the criteria discussed above and to enable us to make appropriate disclosures to stockholders.

Investment Committee. The Investment Committee reviews and considers our proposed investments. The Board as a whole reviews and considers our proposed investments equal to or in excess of \$45.0 million, and all credit facilities or financing with recourse to us in excess of the amount of equity invested, and is advised of Company investments approved by the Investment Committee equal to or in excess of \$30.0 million for informational purposes. The members of the committee are Messrs. J. Cohen (Chairman), Beach, Fore, Ickowicz and Kessler. The committee held twenty meetings during fiscal 2015.

Communication with the Board. The Board has established a process for stockholders to send communications to it. Stockholders may communicate with the Board, or any director or committee chairperson, by writing to such parties in care of Michael S. Yecies, Senior Vice President, Chief Legal Officer and Secretary, Resource Capital Corp., 712 Fifth Avenue, New York, NY 10019. Communications addressed to the Board generally will be forwarded either to the appropriate committee chairperson, all directors or individual directors to whom the communication is addressed. Communications may be submitted confidentially and anonymously. Under certain circumstances, we may be required by law to disclose the information or identity of the person submitting the communication. There were no material actions taken by the Board as a result of communications received during fiscal 2015 from stockholders. Some concerns communicated to the Board also may be referred to our internal auditor or our Chief Legal Officer. The Chairman of the Board or the Chairman of the Audit Committee may direct that concerns be presented to the Audit Committee, or to the full Board, or that they otherwise receive special treatment, including retention of external counsel or other advisors.

Attendance at Annual Meetings. We do not have a formal policy regarding Board member attendance at our annual meeting of stockholders. All of our Board members attended last year’s annual meeting of stockholders and we anticipate that all of them will attend the Meeting.

Board Leadership Structure and Role in Risk Oversight

We have no specific policy with respect to the separation of the offices of Chairman and the Chief Executive Officer. Currently, Steven J. Kessler serves as Chairman of the Board and Jonathan Z. Cohen serves as Chief Executive Officer. The Board believes that our Corporate Governance Guidelines provide it with appropriate flexibility to determine from time to time the leadership structure that best enables us to pursue our business strategies and goals. The Board believes that its current leadership structure is appropriate in that it gives us the benefit of the significant expertise that both Messrs. Kessler and J. Cohen have in finance and real estate, as well as the working relationship they have developed in the past eighteen years.

Risk management, led by our officers and the Board, is a company-wide function that is responsible for an integrated effort to identify, assess and manage risks that may affect our ability to execute on our business strategy and fulfill our business objectives. The Board’s role is to oversee this function. The Audit Committee enhances the Board’s oversight of risk management. The Audit Committee’s role is also one of oversight, recognizing that management is responsible for executing our risk management policies. The Audit Committee’s responsibilities include discussing with management our major financial risk exposures

and the steps management has taken to monitor and control such exposures, including our risk assessment and risk management policies. The Audit Committee also discusses guidelines and policies to govern the process by which risk assessment and management is undertaken.

Code of Ethics

We have adopted a code of business conduct and ethics applicable to all directors, officers and employees. We will provide to any person without charge, upon request, a copy of our code of conduct. Any such request should be directed to us as follows: Resource Capital Corp., 712 Fifth Avenue, New York, NY 10019, Attention: Secretary. Our code of conduct is also available on our website at www.resourcecapitalcorp.com. We intend to satisfy the disclosure requirement under Item 5.05 of Form 8-K regarding an amendment to, or waiver from, a provision of this code of conduct by posting such information on our website, unless otherwise required by applicable law or regulation.

Compensation Committee Interlocks and Insider Participation

The Compensation Committee consisted of Messrs. Beach, Levin and Neff during fiscal 2015. None of such persons was an officer or employee of ours or any of our subsidiaries or affiliated companies during fiscal 2015 or was formerly an officer or employee of ours. None of our executive officers was a director or executive officer of any entity of which any member of the Compensation Committee was a director or executive officer during fiscal 2015.

COMPENSATION DISCUSSION AND ANALYSIS

We are required to provide information regarding the compensation program in place for our Chief Executive Officer, Chief Financial Officer and the three other most highly-compensated executive officers. In the following discussion, we refer to our Chief Executive Officer, Chief Financial Officer and the other three most highly-compensated executive officers whose compensation for fiscal 2015 exceeded \$100,000 as our “Named Executive Officers” or “NEOs.”

Objectives of Our Compensation Program

We are externally managed by our Manager pursuant to a management agreement among our Manager, Resource America and us. All of our NEOs are employees of Resource America or our Manager. We have not paid, and do not intend to pay, any cash compensation to our NEOs. We do reimburse Resource America for the wages, salary and benefits paid to our Chairman, Chief Financial Officer, and Chief Accounting Officer. Our Compensation Committee has, from time to time, granted equity awards in the form of restricted stock, stock options or equity-based performance awards to our NEOs pursuant to our Amended and Restated Omnibus Equity Compensation Plan. These awards are designed to align the interests of our NEOs with those of our stockholders, by correlating their compensation to the performance of our stock and by allowing them to share in the creation of value for our stockholders through stock appreciation and dividends. These equity awards are subject to time-based vesting requirements designed to promote the retention of management, incentivize long term objectives and to achieve strong performance for us. These awards further provide us flexibility in our ability to enable Resource America to attract, motivate and retain talented individuals for our Manager.

Setting Executive Compensation

Our NEOs are employees of Resource America, which determines the base salary, cash incentive compensation and grants of Resource America equity securities that are paid to our NEOs. Since we pay fees to our Manager pursuant to the management agreement, we believe that an unspecified portion of the base salary and cash incentive compensation paid to our NEOs is derived from such fees paid by us. We do not control how such fees are allocated by Resource America. We disclose the cash amounts paid by Resource America to our Chief Financial Officer (for which we reimburse Resource America), our only NEO who devotes his full business time to our affairs, in the Summary Compensation Table below.

When Resource America makes its determination of the amount of compensation it will award to one of our NEOs, including in particular the amount of Resource America securities that Resource America will grant as equity incentive compensation, Resource America also considers, but does not determine or control, the amount of our securities we propose to grant as equity incentive compensation to that NEO. Similarly, in determining the amount of equity incentive compensation we grant to one of our NEOs, our Compensation Committee considers, but does not determine, the compensation that Resource America proposes to grant to that NEO, including Resource America's grant of Resource America securities as equity incentive compensation. Our respective Compensation Committees base their analyses and determinations upon recommendations submitted by Jonathan Z. Cohen, who is chief executive officer of both companies, for all of our NEOs other than himself. Resource America's Compensation Committee determines the amount of compensation Resource America will award Mr. J. Cohen, while our Compensation Committee determines the amount of any Resource Capital equity incentive compensation we award to Mr. J. Cohen. These analyses and determinations are not based upon any particular compensation matrix or formula, but instead are based upon qualitative evaluations by Mr. J. Cohen and the Compensation Committee. Our Compensation Committee does not make recommendations to Resource America as to the amount of compensation Resource America grants to our NEOs, nor does Resource America's Compensation Committee make recommendations to us regarding the amount of equity incentive compensation awarded by us to our NEOs.

Our Compensation Committee operates under a written charter adopted by our Board of Directors, a copy of which is available on our website at www.resourcecapitalcorp.com. Our Compensation

Committee determines compensation amounts after the end of our and Resource America's fiscal year and makes equity awards near or after our and Resource America's fiscal year end. Awards made after our fiscal year end are reflected in our Summary Compensation Table but not our Grants of Plan-Based Awards table until our following fiscal year. Our Compensation Committee has the discretion to issue equity awards at other times during our fiscal year.

Elements of Our Compensation Program

As described above, our NEOs do not receive cash compensation from us, although beginning in October 2009, we agreed to reimburse Resource America for the wages, salary and benefits of our Chief Financial Officer. In addition, we began reimbursing Resource America for the wages, salary and benefits of our Chairman in February 2010. However, our Compensation Committee has, from time to time, granted equity awards in the form of restricted stock, stock options or equity-based performance awards to our NEOs pursuant to our Amended and Restated Omnibus Equity Compensation Plan as follows:

Stock Options. Stock options provide value to the executive only if our stock price increases after the grants are made. Stock options typically vest 33.3% per year. No stock options have been granted to any of our NEOs since 2006.

Restricted Stock. Restricted stock grants reward stockholder value creation slightly differently than stock options: restricted stock units are impacted by all stock price changes, both increases and decreases. Restricted stock generally vests 33.3% per year and includes a right to receive dividends on unvested shares. Effective August 31, 2015, we completed a one-for-four reverse stock split of our outstanding common stock. All per share amounts and common stock prices shown give retroactive effect to the reverse stock split for all periods presented for comparison purposes.

How We Determined 2015 Compensation

As discussed above, our Compensation Committee believes that it is important for our NEOs, who are employees of Resource America, to remain significantly aligned with the interests of our stockholders. Accordingly, we have traditionally made grants of restricted stock to such NEOs.

For 2015, such stock awards were generally less than stock awards for 2014. The grants will vest 33.33% per year over three years and included dividend equivalent rights. Our Compensation Committee analyzed the management agreement and reviewed how our operating costs compared to other REITs' operating costs. Our Compensation Committee also considered our growth, complexity and performance. The Committee also considered the amount of our restricted stock that had been granted in recent years. In particular, the Compensation Committee desired to continue to build alignment between key employees of the Manager and our stockholders, provide meaningful incentive for the retention of such key employees and ensure that total compensation paid to the Manager and its employees is consistent with similar companies. For 2015, our Compensation Committee approved the awards discussed below, based upon our performance and the individual performance of our NEOs. Among the factors considered by our Compensation Committee were our growth, distributions to our shareholders and our ability to successfully originate, manage and finance quality investment products. Our Compensation Committee further noted our commercial real estate (CRE) loan originations, completion of two CRE securitizations with outstanding execution, building upon our middle market loan origination platform and positioning us for future growth. Our Compensation Committee considered these stock awards in addition to considering the total compensation that Resource America proposed for our NEOs.

Upon our CEO's recommendation, other than for himself, our Compensation Committee approved the following awards for fiscal 2015:

- Mr. J. Cohen was awarded 19,588 shares of restricted stock for fiscal 2015, as compared to 102,670 shares of restricted stock for fiscal 2014.
- Mr. Blomstrom was awarded 4,897 shares of restricted stock for fiscal 2015, as compared to 7,700 shares of restricted stock for fiscal 2014.
- Mr. Bloom was awarded 17,140 shares of restricted stock for fiscal 2015, as compared to 7,700 shares of restricted stock for fiscal 2014.

- Mr. Brotman was awarded 14,691 shares of restricted stock for fiscal 2015, as compared to 7,700 shares of restricted stock for fiscal 2014.
- Mr. Bryant was awarded 10,515 shares of restricted stock for fiscal 2015, as compared to 5,134 shares of restricted stock for fiscal 2014.

Compensation and Risks

We believe that the risks material to our business are those that derive from broad-based economic trends and specific trends relating to particular loans, assets securing such loans and properties we hold. We do not believe that these risks are materially affected by, or materially arise from our compensation policies, since our compensation is in the form of equity grants which typically vest over time. We believe that this encourages our executives to focus on sustained share price appreciation, rather than short-term results. Moreover, risk behavior is a factor considered in all performance assessments.

Compensation Committee Report

The compensation committee has reviewed and discussed the foregoing Compensation Discussion and Analysis with management and, based on its review and discussions, the compensation committee recommended to the Board of Directors that the Compensation Discussion and Analysis be included in this filing.

This report has been provided by the Compensation Committee of the Board of Directors of Resource Capital Corp.

CERTAIN RELATIONSHIPS AND RELATED PARTY TRANSACTIONS

Relationships and Related Party Transactions

Relationship with Resource America and Certain of its Subsidiaries. Resource America, entities affiliated with it and our executive officers and directors collectively beneficially own 1,981,808 shares of common stock, representing approximately 6.35% of our common stock on a fully-diluted basis. Our executive officers are also officers of our Manager and/or of Resource America or its subsidiaries.

We have entered into a management agreement under which the Manager receives substantial fees. For the year ended December 31, 2015, our Manager, earned base management fees of approximately \$12.6 million. There were no incentive management fees earned in 2015. We reimburse the Manager and Resource America for expenses and employees of Resource America who perform legal, accounting, due diligence and other services that outside professionals or consultants would otherwise perform. The management agreement, as amended, also provides that the Manager must furnish us with a director of investor relations who will be 50% dedicated to our operations. We bear the expense of the wages, salaries and benefits of our Chairman, Chief Financial Officer, Chief Accounting Officer and several accounting and tax professionals and 50% of the salary and benefits of the director of investor relations. On November 7, 2013, we entered into another amendment to include the definition of an “Ancillary Operating Subsidiary” which means one or more subsidiaries, including a TRS and its subsidiaries, that are operating entities principally engaged in the evaluation, underwriting, origination, servicing, holding, trading and financing of loans, securities, investments and credit products other than commercial real estate loans. An Ancillary Operating Subsidiary may, with the approval of a majority of the Independent Directors, directly incur and pay all of its own operating costs and expenses, including without limitation, compensation of employees of such Ancillary Operating Subsidiary and reimbursement of any compensation costs incurred by the Manager for personnel principally devoted to such Ancillary Operating Subsidiary. For the year ended December 31, 2015, we reimbursed the Manager \$5.5 million.

On November 24, 2010, we entered into an Investment Management Agreement with Resource Capital Markets, Inc., or RCM, a wholly-owned subsidiary of Resource America. The initial agreement provides that: (a) RCM may invest up to \$5.0 million of our funds, with the investable amount being adjusted by portfolio gains (losses) and collections, and offset by expenses, taxes and realized management fees, and (b) RCM can earn a management fee in any year that the net profits earned exceed a preferred return. On June 17, 2011, we entered into a revised Investment Management Agreement with RCM which provided an additional \$8.0 million of our funds. The management fee is 20% of the amount by which the net profits exceed the preferred return. During the year ended December 31, 2015, RCM did not earn an incentive management fee. The portfolio began a partial liquidation during 2013. We also reimburse RCM for expenses paid on our behalf. For the year ended December 31, 2015, we paid RCM \$128,000 as expense reimbursements.

At December 31, 2015, we were indebted to Resource America and the Manager for \$2.5 million, comprised of base management fees of \$978,000 and expense reimbursements of \$1.6 million. At December 31, 2015, we were indebted to RCM, under our Investment Management Agreement for \$152,000, comprised entirely of expense reimbursements.

During the year ended December 31, 2013, one of our subsidiaries began originating middle market loans, for which Resource America is paid origination fees. These fees may not exceed 2% of the loan balance for any loan originated.

On November 7, 2013, a wholly-owned subsidiary of ours purchased all of the membership interests in Elevation Home Loans, LLC, a start-up residential mortgage company, from an employee of

Resource America for \$830,000, paid in the form of 34,165 shares of our restricted common stock. The restricted stock vests in full on November 7, 2016, and includes dividend equivalent rights.

As of December 31, 2015, we had executed eleven securitizations, which were structured for us by the Manager. Under the Management Agreement, the Manager was not separately compensated by us for executing these transactions and is not separately compensated for managing the securitization's entities and their assets. We have since liquidated three of these securitizations, one in October 2013, one in October 2014, and another in June 2015.

Relationship with LEAF Commercial Capital. Leaf Commercial Capital, or LCC, originated and managed equipment leases and notes on our behalf. On March 5, 2010, we entered into agreements with Lease Equity Appreciation Fund II, L.P., or LEAF II, (an equipment leasing partnership sponsored by LEAF Financial and of which a LEAF Financial subsidiary is the general partner), pursuant to which we provided an \$8.0 million credit facility to LEAF II. The credit facility initially had a one year term with interest at 12% per year, payable quarterly, and was secured by all the assets of LEAF II, including its entire ownership interest in LEAF II Receivables Funding. We received a 1% origination fee in connection with establishing the facility. The facility originally matured on March 3, 2011 and was extended until September 3, 2011 with a 1% extension fee paid on the outstanding loan balance. On June 3, 2011, we entered into an amendment to extend the maturity to February 15, 2012 and to decrease the interest rate from 12% to 10% per annum resulting in a troubled-debt restructuring under current accounting guidance. On February 15, 2012, the credit facility was further amended to extend the maturity to February 15, 2013 with a 1% extension fee accrued and added to the amount outstanding. On January 11, 2013, we entered into another amendment to extend the maturity to February 15, 2014 with an additional 1% extension fee accrued and added to the amount outstanding. On December 17, 2013, we entered into another amendment to extend the maturity to February 15, 2015. During the year ended December 31, 2014, we recorded a provision for loan loss on this loan of \$1.3 million before extinguishing the loan and bringing direct financing leases in the amount of \$2.1 million on our books in lieu of the loan receivable. During the year ended December 31, 2015, we recorded a provision against the value of the direct financing leases in the amount of \$465,000. As of December 31, 2015, we held \$931,000 of direct financing leases.

On November 16, 2011, we, together with LEAF Financial and LCC, subsidiaries of Resource America, entered into a securities purchase agreement with Eos Partners, L.P., a private investment firm, and its affiliates. In exchange for our prior interest in LCC, we received 31,341 shares of Series A Preferred Stock, 4,872 shares of newly issued 8% Series B Redeemable Preferred Stock and 2,364 shares of newly issued Series D Redeemable Preferred Stock, collectively representing, on a fully-diluted basis, a 27.5% interest in LCC. On January 18, 2013, we entered into another stock purchase agreement with LCC to purchase 3,682 shares of newly issued Series A-1 Preferred Stock for \$3.7 million. During 2013, we entered into another stock purchase agreement with LCC to purchase 4,445 shares of newly issued Series E Preferred Stock for \$4.4 million. The Series E Preferred Stock has priority over all other classes of preferred stock. For the year ended December 31, 2015, we recorded an equity method allocation of earnings of \$2.6 million which was recorded in equity in net earnings of unconsolidated subsidiaries on the consolidated statement of operations. Our investment in LCC had a cost basis of \$42.0 million as of December 31, 2015.

Relationship with CVC Credit Partners. On April 17, 2012, Apidos Capital Management, or ACM, a former subsidiary of Resource America, was sold to CVC Credit Partners, LLC, a joint venture entity in which Resource America owns a 24% interest. CVC Credit Partners manages internally and externally originated bank loan assets on our behalf. On February 24, 2011, one of our subsidiaries purchased 100% of the ownership interests in Churchill Pacific Asset Management LLC, or CPAM, from Churchill Financial Holdings LLC for \$22.5 million. CPAM subsequently changed its name to RCAM. Through RCAM, we were entitled to collect senior, subordinated and incentive fees related to five CLO issuers, holding approximately \$1.9 billion in assets managed by RCAM. RCAM is assisted by CVC Credit Partners in managing these CLOs. CVC Credit Partners is entitled to 10% of all subordinated fees and 50% of the incentive fees received by RCAM. For the year ended December 31, 2015, CVC Credit Partners earned subordinated fees of \$1.4 million. In October 2012, we purchased 66.6% of the preferred equity in one of

the RCAM CDOs. In May 2013, we purchased additional equity in this CLO, increasing our ownership percentage to 68.3%. In 2013 two of the five CLOs were called and the notes were paid down in full. In January 2016 another RCAM-managed CLO was called and \$2.4 million on impairment, on a pre-tax basis, was recorded in depreciation and amortization on our consolidated statements of operations on the related intangible asset, as of December 31, 2015.

In May, June and July 2013, we invested \$15.0 million in CVC Global Credit Opportunities Fund, L.P., a Delaware limited partnership which generally invests in assets through a master-feeder fund structure. The general partner of the feeder partnership and the master partnership is CVC Global Credit Opportunities Fund GP, LLC, an affiliate of CVC Credit Partners. The investment manager of both partnerships is CVC Credit Partners, LLC. CVC Capital Partners SICAV-FIS, S.A., a Luxembourg company, together with its affiliates, and Resource America, own a majority and a significant minority, respectively, of the investment manager. The feeder fund pays the investment manager a quarterly management fee of 1.5% annually based on the balance of each limited partner's capital account. Our management fee was waived upon entering the agreement since we are a related party of CVC Credit Partners. For the year ended December 31, 2015, we recorded earnings of \$8,000. In March 2015, we elected to withdraw \$5.0 million from the fund. In July 2015, a \$625,000 withdrawal was requested and received. In October 2015, another \$4.0 million was withdrawn from the fund. In December 2015, we elected to withdraw the remaining \$8.6 million from the fund. We retained no investment in the fund as of December 31, 2015.

Relationship with Resource Real Estate. Resource Real Estate, a subsidiary of Resource America, originates, finances and manages our commercial real estate loan portfolio, including whole loans, B notes, mezzanine loans, and investments in real estate. We reimburse Resource Real Estate for loan origination costs associated with all loans originated. We had a receivable of \$2,500 due from Resource Real Estate for loan origination costs in connection with our commercial real estate loan portfolio as of December 31, 2015.

On December 1, 2009, we purchased a membership interest in RRE VIP Borrower, LLC (an unconsolidated VIE that holds an interest in a real estate joint venture) from Resource America for \$2.1 million, its book value. RREM was asset manager of the venture and received a monthly asset management fee equal to 1.0% of the combined investment calculated as of the last calendar day of the month. The last property associated with the joint venture was sold in July 2014. The income recorded in 2015 was due to a liquidation of an existing bank account with respect to the sold properties.

On January 15, 2010, we loaned \$2.0 million to Resource Capital Partners, Inc., or RCP, a wholly-owned subsidiary of Resource America, so that it could acquire a 5.0% limited partnership interest in Resource Real Estate Opportunity Fund, L.P., or RRE Opportunity Fund. RCP is the general partner of the RRE Opportunity Fund. The loan is secured by RCP's partnership interest in the RRE Opportunity Fund. The promissory note bears interest at a fixed rate of 8.0% per annum on the unpaid principal balance. In the event of default, interest will accrue and be payable at a rate of 5.0% in excess of the fixed rate. Interest is payable quarterly. Mandatory principal payments must also be made to the extent distributable cash or other proceeds from the partnership represent a return of RCP's capital. The loan was set to mature on January 14, 2015, and RCP elected to extend the loan until January 14, 2016. The loan balance was \$558,000 at December 31, 2014, which was paid in full in April 2015.

We have closed the following four real estate securitization transactions, which provide financing for commercial real estate loans: RCC CRE Notes 2013, a \$307.8 million securitization in December 2013; RCC 2014-CRE2, a \$353.9 million securitization on July 30, 2014; RCC 2015-CRE3; a \$346.2 million securitization on February 24, 2015; and RCC 2015-CRE4, a \$312.9 million securitization on August 18, 2015. With respect to each specialty service mortgage loan, Resource Real Estate receives an amount equal to the product of (a) the Special Servicing Fee Rate, 0.25% per annum, and (b) the outstanding principal balance of such Specialty Service Mortgage Loan. The servicing fee is payable monthly, on an asset-by-asset basis. Resource Real Estate agreed to waive its rights to receive the Special Servicing Fee to the

extent that we continue to hold the majority equity of the securitizations. We utilize the brokerage services of Resource Securities, Inc. ("Resource Securities"), a wholly-owned broker-dealer subsidiary of Resource America, on a limited basis to conduct some of its asset trades. We paid Resource Securities placement agent fees in connection with each transaction as follows: \$205,000, \$175,000, \$100,000 and \$85,000, respectively.

In July 2014, we formed RCM Global Manager to invest in RCM Global, an entity formed to hold a portfolio of structured product securities. We contributed \$15.0 million for a 63.8% membership interest in RCM Global. A five member board manages RCM Global, and all actions, including purchases and sales, must be approved by no less than three of the five members of the board. In March and June 2015, we requested and received a proportional, in-kind distribution in certain securities held by RCM Global. The distribution of and subsequent sale of those securities through its subsidiary, RCC Residential, resulted in the realization of \$5.0 million of net gains for the year ended December 31, 2015. As a result of these distributions, our ownership interest of the remaining assets decreased to 30.2% as of December 31, 2015.

In September 2014, we contributed \$17.5 million to Pelium Capital for an initial ownership interest of 80.4%. Pelium Capital is a specialized credit opportunity fund managed by Resource America. We have committed to contributing an additional \$2.5 million into the fund. We will receive 10% of the carried interest in the partnership for the first five years and can increase our interest to 20% if our capital contributions aggregate \$40.0 million. Resource America contributed cash of \$2.8 million to the formation of Pelium Capital. As of December 31, 2015, we held a 80.2% interest in Pelium Capital.

On April 10, 2015, we entered into two first mortgage bridge loans in the amount of \$2.5 million and \$3.3 million with two funds sponsored by Resource America, Resource Real Estate Investors LP and Resource Real Estate Investors II, LP. Each loan carried an interest rate of LIBOR plus 5.75% with a LIBOR floor of 0.25%. The loans had a maturity date of May 5, 2016, with two consecutive one-year options to extend upon the first maturity date. The loan in the amount of \$2.5 million was repaid in full with interest on April 29, 2015. The second loan in the amount of \$3.3 million was repaid in full with interest on July 31, 2015.

On June 24, 2015, we committed up to \$50.0 million in Pearlmark Mezzanine Realty Partners IV, L.P. ("Pearlmark Mezz IV L.P."), a Delaware limited partnership. The contractual fund manager of the fund is Pearlmark Real Estate LLC ("Pearlmark"), a Delaware limited liability company that is 50% owned by Resource America. We will pay Pearlmark Mezz IV L.P. management fees of 1.0% on the unfunded committed capital and 1.5% on the invested capital. We are entitled to a management fee rebate of 25% for the first year of the fund. As of December 31, 2015, we are indebted for \$94,000 for management fees, net of the rebate. In October, November and December 2015, we contributed an aggregate of \$6.9 million in capital to Pearlmark Mezz IV. As of December 31, 2015, we have an investment balance of \$6.5 million and a 47.42% ownership interest in the fund. Resource America has agreed that it will credit any such fees paid by us to Pearlmark against the base management fee that we pay to Resource America.

Relationship with Law Firm. Ledgewood is a law firm that has provided legal services to us since our formation. Mr. E. Cohen, who was of counsel to Ledgewood until April 1996, receives certain debt service payments from Ledgewood related to the termination of his affiliation with Ledgewood and its redemption of his interest in the firm. From 1995 until March 2006, Mr. Jeffrey F. Brotman was the managing member of Ledgewood. Mr. Brotman remained of counsel to Ledgewood through June 2007, at which time he became an Executive Vice President of Resource America. In connection with his separation arrangement, Mr. Brotman receives payments from Ledgewood related to the termination of his affiliation with the firm.

Policies and Procedures Regarding Related Party Transactions

Under our Management Agreement with the Manager and Resource America, we have established written policies regarding the offer of potential investments to us, our acquisition of those investments and the allocation of those investments among other programs managed by the Manager or Resource America.

We have also established written policies regarding investing in investment opportunities in which the Manager or Resource America has an interest and regarding investing in any investment fund or CDO structured, co-structured or managed by the Manager or Resource America.

The Manager and Resource America must offer us the right to consider all investments they identify that are within the parameters of our investment strategies and policies. If the Manager and Resource America identify an investment that is appropriate both for us and for one or more other investment programs managed by them, but the amount available is less than the amount sought by all of their investment programs, they will allocate the investment among us and such other investment programs in proportion to the relative amounts of the investment sought by each. If the portion of the investment allocable to a particular investment program would be too small for it to be appropriate for that investment program, either because of economic or market inefficiency, regulatory constraints (such as REIT qualification or exclusion from regulation under the Investment Company Act) or otherwise, that portion will be reallocated among the other investment programs. Investment programs that do not receive an allocation will have preference in future investments where investment programs are seeking more of the investment than is available so that, on an overall basis, each investment program is treated equitably.

To equitably allocate investments that the Manager or Resource America has acquired at varying prices, the Manager and Resource America will allocate the investment so that each investment program will pay approximately the same average price.

The Manager and Resource America may make exceptions to these general policies when other circumstances make application of the policies inequitable or uneconomic.

The Manager has also instituted policies designed to mitigate potential conflicts of interest between it and us, including:

- We will not be permitted to invest in any investment fund or CDO structured, co-structured or managed by the Manager or Resource America other than those structured, co-structured or managed on our behalf. The Manager and Resource America will not receive duplicate management fees from any such investment fund or CDO to the extent we invest in it.
- We will not be permitted to purchase investments from, or sell investments to, the Manager or Resource America, except that we may purchase investments that have been originated by the Manager or Resource America within 60 days before our investment.
- Any transactions between entities managed by the Manager or Resource America and us must be approved by a majority of our independent directors.

Except as described above or provided for in our management agreement with the Manager and Resource America, we have not adopted a policy that expressly prohibits transactions between us or any of our directors, officers, employees, security-holders or affiliates. However, our code of business conduct and ethics prohibits any transaction that involves an actual or potential conflict except for transactions permitted under guidelines which may be adopted by our Board of Directors. No such guidelines have been adopted as of the date of this report. In addition, our Board of Directors may approve a waiver of the code of ethics and business conduct for a specific transaction, which must be reported to our stockholders to the extent required by applicable law or New York Stock Exchange rule.

PROPOSAL 2: RATIFICATION OF THE APPOINTMENT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

We are asking our stockholders to ratify the appointment of Grant Thornton, LLP, or Grant Thornton, as our independent registered public accounting firm to audit our financial statements for the fiscal year ending December 31, 2016. Although approval is not required by our bylaws or otherwise, the Board of Directors is submitting the appointment of Grant Thornton to our stockholders for ratification as a matter of good corporate practice. The Audit Committee anticipates engaging Grant Thornton to review our financial statements for fiscal 2016. If the selection of Grant Thornton is not ratified, the Audit Committee will consider whether it is appropriate to select another independent registered public accounting firm. Even if Grant Thornton is approved, the Audit Committee in its discretion may select a

different independent registered public accounting firm at any time during the year if it determines that such a change would be in the best interests of us and our stockholders.

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS A VOTE FOR THE RATIFICATION OF THE SELECTION OF GRANT THORNTON TO AUDIT OUR FINANCIAL STATEMENTS FOR THE FISCAL YEAR ENDING DECEMBER 31, 2016.

We expect that representatives of Grant Thornton will be present at the annual meeting. These representatives will have the opportunity to make a statement if they desire to do so and will be available to respond to appropriate questions.
